If minor, Parent Signature required: _____

Minor's printed name/signature: _____

RELEASE OF LIABILITY:

By signing this release I acknowledge that the use, handling, grooming, participating in Equine Assisted Learning activities and proximity near horses involves a risk of both serious physical and emotional and minor injuries as well as death. Even being in close proximity to horses can cause injury or death given horses' unpredictable nature as well as property damage. Even the most experienced horse person can suffer serious injury and/or death while handling the horses. Also, I was informed of the potential risks of walking on uneven ground in and out of the arena, as well as spiders, snakes, dogs, bees and any other animal or insect that may be present that could potentially cause harm. I will also follow the rule of no smoking on premises.

I understand that a horse regardless of its age, training and past behavior may act or react unpredictably at times based on instinct or fright which is an inherent risk assumed by a participant.

The undersigned expressly assumes such risk, waives any claims and hold harmless that he or she may have against Reins of H.O.P.E.'s director, officers, board members, all staff, volunteers, contracted treatment centers, all locations and facilities sessions take place, as a result of physical or emotional injury or death incurred while engaged in the above mentioned stated equine activities to client or participant as well as property damage.

At every session, all the participants have been verbally instructed on the emotional, psychological and physical safety rules regarding activities with EAL. A thorough description of the activities involved is described prior to entering the arena with the horses. All of the activities are conducted on the ground. There is NO RIDING involved. The parties acknowledge having read and understood this agreement by signing this release of liability below.
